

HIDE MY EX on Facebook without blocking them

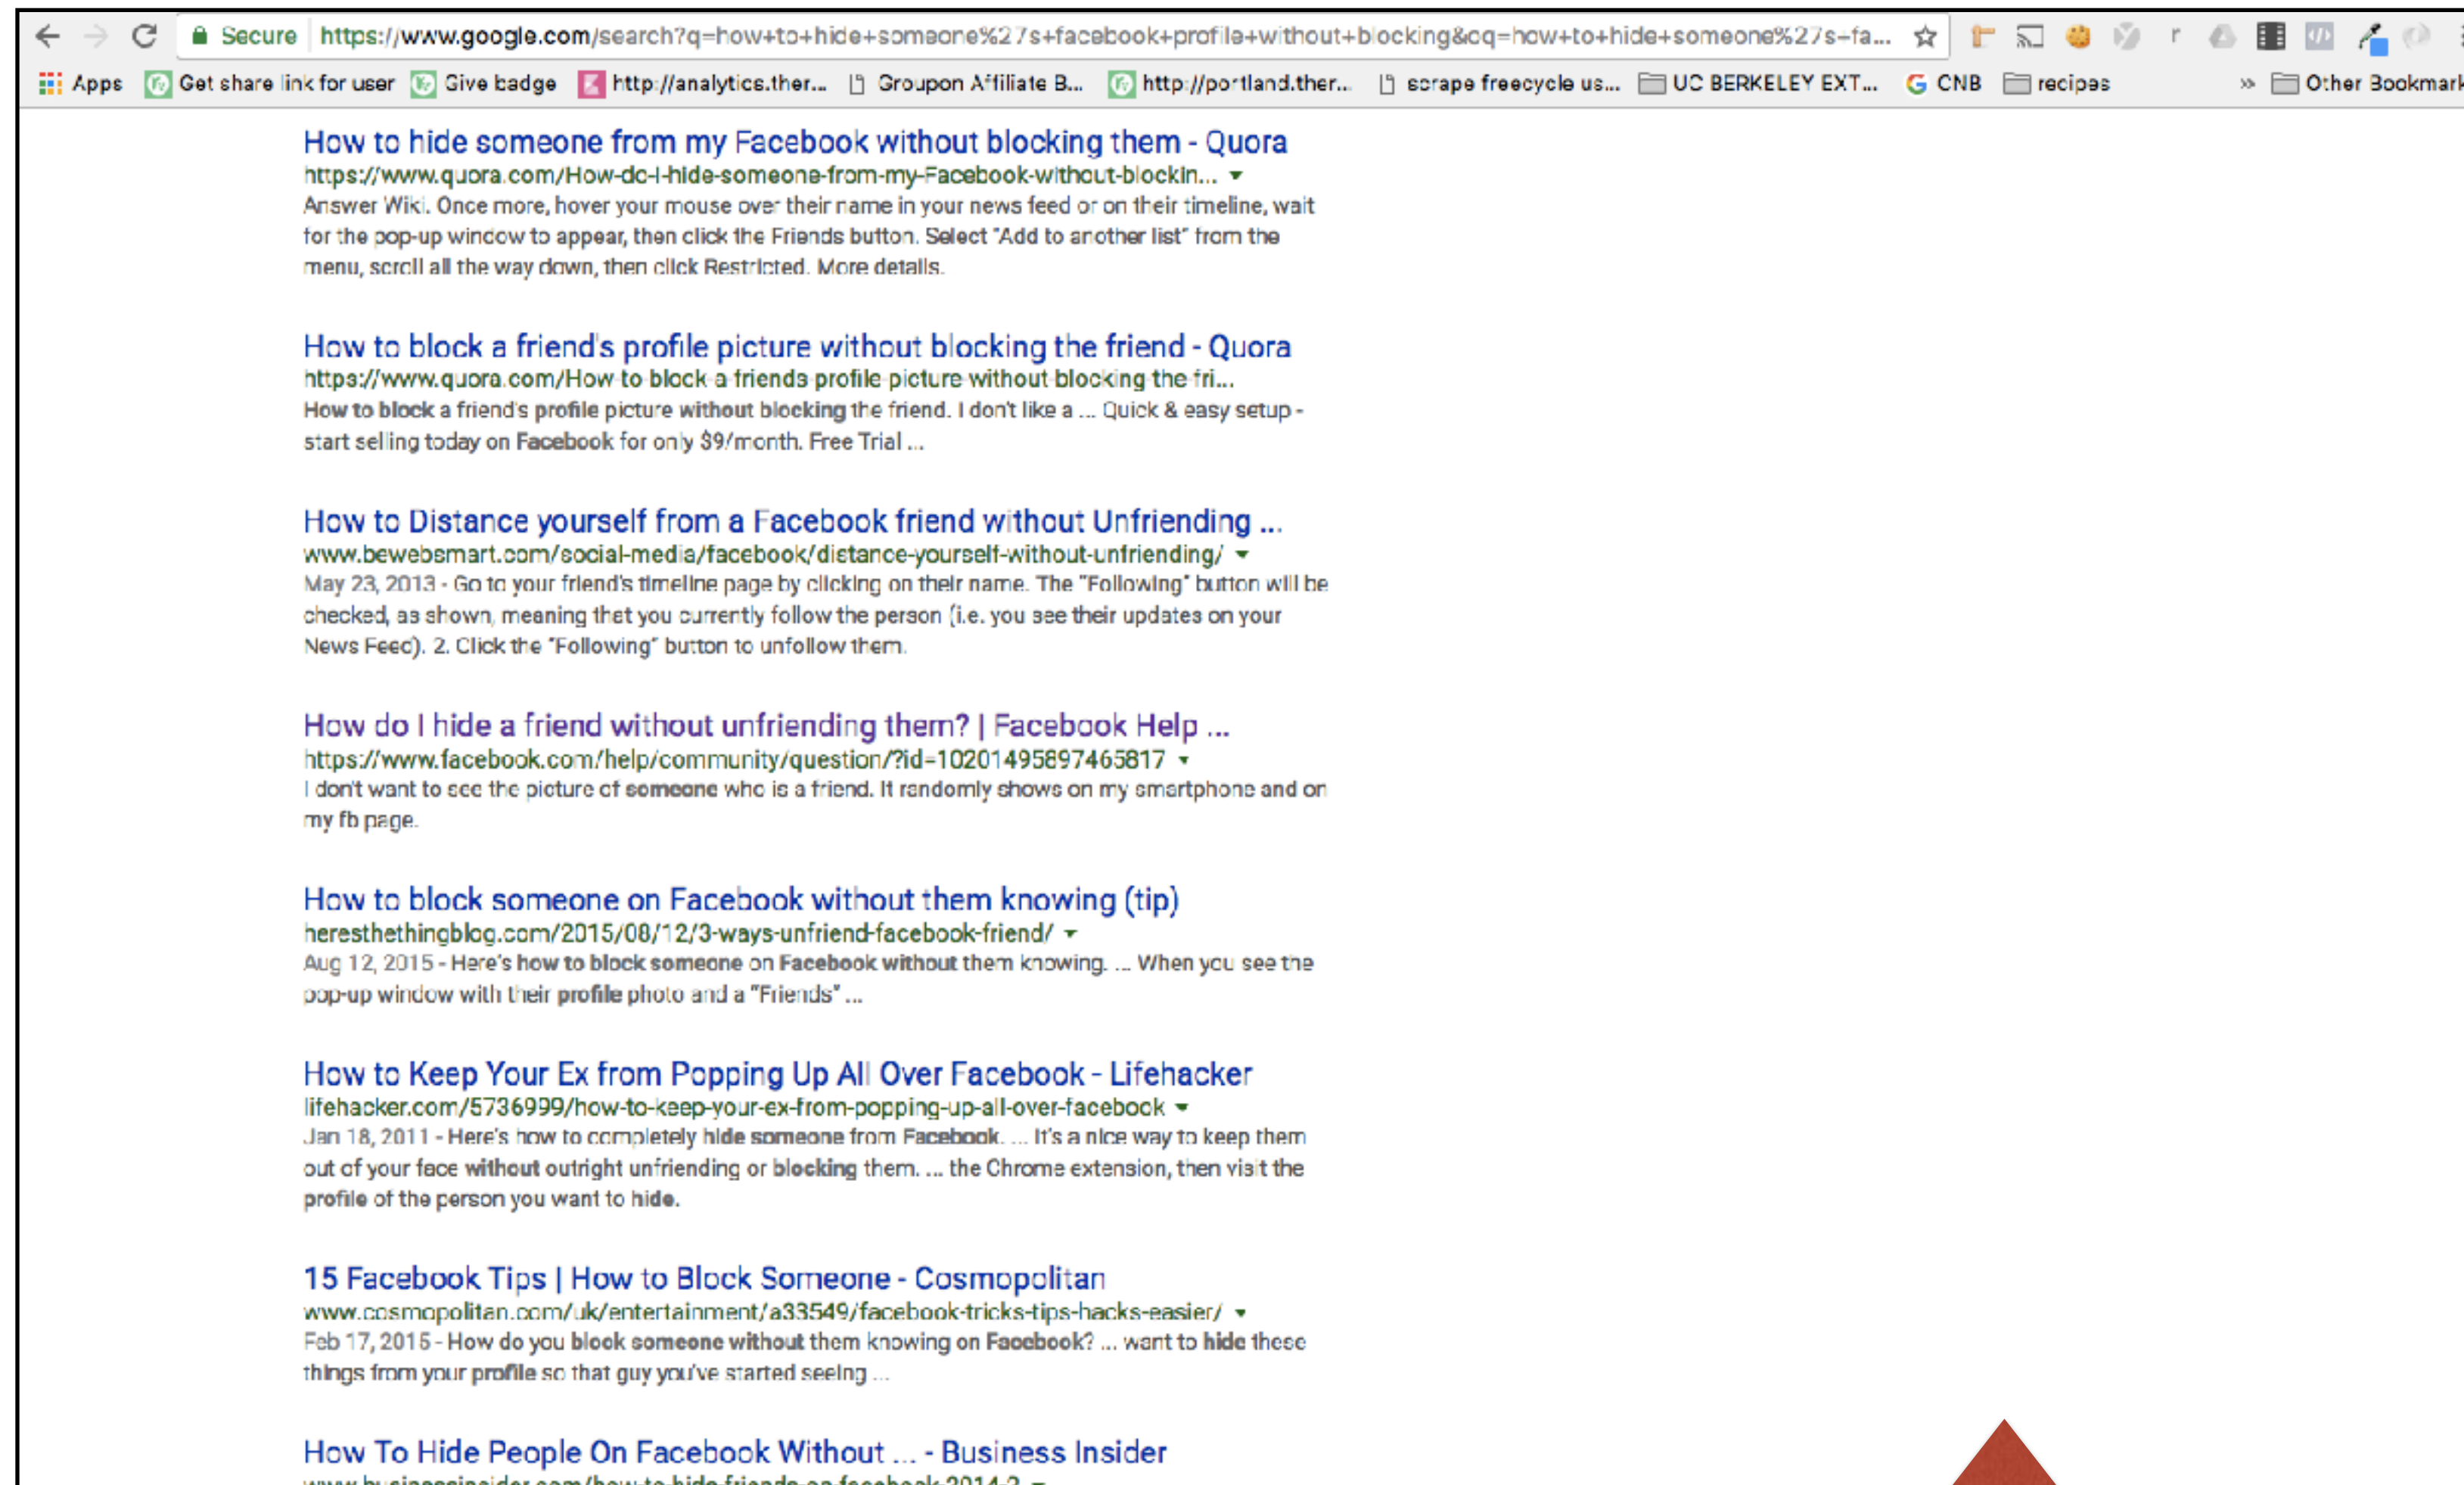

(CHROME EXTENSION)

Problem: Facebook stalking people we don't want to stock just because we can

(ex's, for the most part, but not only)

- There are many solutions to stop seeing someone's posts, and block them from seeing you, but when we're obsessed we just visit their profile directly. This is unhealthy behavior, kind of like binge eating.
- The only way Facebook lets you block your own access to someone else's profile is by **blocking them**. However, that's a 2-way block and the other side will know you did this
FACE PALM!!!!
- How can we prevent ourselves from stalking without such extreme / embarrassing measures?

With 1B+ Facebook users surely there are several who are looking for a solution...

This issue is being searched for online. See?

**Lots of ways to minimize exposure, but non
to prevent yourself from stalking profile**

Enter: HIDE MY EX

A simple chrome extension that prevents you
from viewing your ex's profile.
And punishes you for misbehaving!

UI INSPIRATION: SCREENCASTIFY

A screenshot of a web browser displaying an email inbox. The browser's address bar shows a URL starting with "/mail/u/2/#inbox". The inbox list includes emails from "Rooster", "MailChimp Billing", "State Farm", "San juan del sur nicaragua", "Ticket Confirmation", "Redo flag, report user / post", "For, for each, watch the saturday class", and "Saar". An orange modal overlay is positioned on the right side of the screen. The modal has a title bar that says "Hide my ex". The main text inside the modal reads: "Hide any Facebook profile from yourself to STOP stalking", followed by a dotted line separator, "Un-hiding costs you money so don't break your promise", another dotted line separator, and a blue link "Frequently asked questions >". At the bottom of the modal is an orange button with the text "OK, lets hide that scum >". The background of the browser shows various tabs and a sidebar with a profile picture and a settings gear.

The image shows a web browser window with an email inbox in the background. The browser's address bar shows a URL starting with "/mail/u/2/#inbox". The inbox contains several email entries with subjects like "[rooster STAGING!] Rooster newsletter batch done!", "MailChimp Receipt", "State Farm is here to listen...to you.", "San juan del sur nicaragua", "Ticket Confirmation 9813336 for 'The Infinite Wrench'", "Redo flag, report user / post", "For, for each, watch the saturday class", and "ברכה ליום הולדת". A modal dialog box is overlaid on the right side of the browser. The dialog has an orange header that says "Step 1 of 5". Below the header, it says "Enter profile URL to hide:" followed by a text input field containing the placeholder text "Enter profile URL". At the bottom of the dialog is a large orange button with the text "Next >".

A screenshot of a Gmail inbox interface. The inbox list shows several emails, including one from 'Rooster' with the subject '[rooster STAGING!] Rooster newsletter batch done!'. An orange overlay box is positioned on the right side of the screen, displaying the text 'Step 3 of 5', 'Good riddance!', 'That \$@\$#^% is now temporarily hidden. Try to look them up or view their profile on Facebook.', and a button that says 'Make this permanent >'. The background shows the Gmail interface with a search bar, filters, and a list of emails.

The image is a screenshot of a web browser window. The background shows an email inbox with several emails. The top of the browser has a tab bar with various tabs open, including 'Ro', 'Re', 'My', 'Se', 'Gc', 'Fre', 'Un', 'B2', 'Ro', 'Ins', '"Le', 'cla', '# art', 'Se', 'Ma', 'Nic', 'Pa', 'Ma', and 'tali'. The address bar shows a URL starting with '/mail/u/2/#inbox'. The inbox list includes emails from 'er (2)', 'chimp Billing (2)', 'Farm', 'tar', and 'Saar'. Overlaid on the right side of the browser is a white modal window with an orange header that says 'Step 5 of 5'. The modal contains the text 'Enter credit card details:' followed by input fields for 'Card number', 'CVV', 'mm', 'yy', and 'Zipcode'. Below these fields, it says 'You will be charged \$5.00' and has a large orange button labeled 'Confirm'.

A screenshot of a Gmail inbox interface. The background shows a list of emails with various subjects like "[rooster STAGING!] Rooster newsletter batch done!", "MailChimp Receipt", "State Farm is here to listen...", "Ticket Confirmation 9813336 for 'The Infinite Wrench'", and "ברכה ליום הולדת". Overlaid on the right side of the inbox is a large orange-bordered box. At the top of this box, in white text on an orange background, is the phrase "You are hella STRONG". Below this, in black text on a white background, is the quote "Janet Jackson" is no longer a part of your life. Underneath the quote, the text "What now?" is followed by a numbered list of three points: 1. You can hide anyone at no additional cost, 2. Unhiding costs \$5, and 3. If you uninstall / disable, you will need to pay the initial \$5 fee again so do don't be a wise ass. At the bottom of the overlay box are two orange buttons with white text: "Hide another" and "Manage hides".
